# DESIGN EXPERIENCE

## SENIOR GRAPHIC DESIGNER

2007-2008

- Created graphic designs for digital media, branding development, client communications, print-on-demand services and advertising for both internet and walk-in clients.
- Devised all aspects of design from pencil thumbnails and storyboards to full-colour print and digital output using Photoshop, Illustrator, and Flash.
- Managed design interns.

# OTHER EXPERIENCE

## WOODWORKING TECHNICIAN

1997-2009

- Oversaw boring machine setup, QC, routine maintenance, employee orientation, process training, safety training, disaster control, and creative solutions in a “we need it an hour ago” atmosphere.

## SENSOR ENGINEER

1996

- Designed and constructed a computerized data acquisition system to life-test television projectors and map temperature and luminosity over time.

## INSTRUCTOR

1994-1995

- Taught remedial junior and high-school courses in Math, Physics, Chemistry and English at a private adult high school for a government program for the worker’s compensation board.
